

The Echo

With echoes of sophistication and a touch of grandeur, the magnitude of The Echo inspires waves of nostalgia, bridging the gap between memories and imagination. Highlighted with thoughtfully placed steps at each corner and a spectacular splash deck, The Echo offers ample room for lounging and socialising.

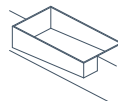

Enjoy your swimming experience with ease and enrichment as you descend the cascading steps from the splash deck to the sloping pool floor below. Take the plunge into your childhood memories and let the echoes of time repeat their familiar voice.
